

It is respectfully submitted that this requirement has already been met by applicants, as set forth in the responsive amendment filed April 19, 1995. Specifically, the description matter in the application was placed in harmony with claim 15 by amending the title and the specification of the application without prejudice or waiver of the amended or cancelled subject matter (see pages 1-3 of the April 19, 1995 amendment, which are attached hereto as Exhibit 1).

The above-described amendment to the description matter in the application was made by applicants in response to the Examiner's first request during the personal interview held on March 1, 1995 with Mr. James C. Haight and Dr. Wyndham H. Wilson. Accordingly, the particular amendments to the title and the specification of the application, which comply with the Examiner's requests, are already of record at pages 1-3 of the April 19, 1995 amendment.

Thus, it is respectfully submitted that the Examiner's requirement has been satisfied.
